

Brisbane CBD – everything you need in one place

For students in Brisbane, the CBD is a fabulous option for many reasons, not least of which is its proximity to the Queensland University of Technology's Gardens Point campus, which is less than 10 minutes' walk from Iglu Brisbane City.

You can also walk to the Central Queensland University Brisbane campus along with other private CBD colleges. Or head down to one of the ferry wharves, which are close by, and jump on a ferry to Southbank for access to Griffith University's Queensland Conservatorium and TAFE Queensland Brisbane, among others.

It's easy to go exploring too, with most major train and bus stations including Central Station, King George Square Station and Queen Street Bus Station, no more than 1km away.

Brisbane's CBD offers great shopping two major shopping areas – Queen Street Mall (8 mins walk) and Wintergarden (5 mins walk) – close by. Grabbing a coffee or eating out is easy with lots of cool cafes popping up and options from sumptuous burger joints and riverside bistros, to laneway bars and hidden cafes, there is something for everyone.
