

Kelvin Grove – a relaxed student village lifestyle

Kelvin Grove has become one of Brisbane's most popular areas. This master planned village, just 3km from the CBD, offers a more relaxed pace of life for those who prefer to escape from the hustle and bustle, but still want to be close to the action.

If you are planning to study at QUT's Kelvin Grove campus, you are looking in the right place. The campus is at the heart of the village, making it highly popular which in turn means a great student lifestyle is yours to enjoy.

Buses are the easiest way to get into the CBD. Brisbane's Translink buses run approx. every 5-10 mins and take about 10 minutes to centre of the CBD. QUT also runs a free shuttle on weekdays to its Gardens Point campus. Once you're in the city, you can easily access other cool neighbourhoods like Fortitude Valley and New Farm.

The Kelvin Grove village itself has great amenity, with shop and services (Woolworths, pharmacy, dry cleaning, banking), cool bars, lots of cafes and a large fitness and aquatic centre – so you don't need to go far to get your dose of entertainment.
