

## About Iglu Student Accommodation

---

Iglu Student Accommodation provides an unequalled student living experience in Sydney and Brisbane (and Melbourne from early 2018). Purpose designed and built for students, Iglu offers the supportive benefits of student accommodation along with the flexibility of an off-campus lifestyle.

This is combined with fresh, fully-furnished living spaces and first-class facilities, all in a safe and secure environment. At Iglu, students can choose to share an apartment, with their own secure bedroom and private or shared bathroom. Or, they can live on their own in a studio or one bedroom apartment with fully equipped kitchenette and private bathroom.

### Where is Iglu located?

All Iglu properties are in ultra-convenient locations within easy reach of major universities and colleges, public transport, shopping, eating and entertainment facilities. Iglu currently has six outstanding locations – four in Sydney and two in Brisbane. Two properties are currently under construction – one in Sydney and one in Melbourne – which will give students even more choice. Here is a summary of our locations across Australia and you can learn more about each on the Iglu website:
